The Club at Midtown Announces Exciting New Developments for 2025

Wilmington, NC – The Club at Midtown, a sports and social club opening in late 2025, is proud to announce the City of Wilmington has granted a Special Use Permit. Located in the heart of Wilmington, The Club at Midtown plans to offer unparalleled amenities, activities, and services to both members and the community.

Enhancing Member Experiences

In 2025, The Club at Midtown will begin a significant transformation of the current facilities located at 4950 Holly Tree Rd. Key features to include a brand-new 2 story clubhouse with upscale restaurant and bar, 33,000+ square foot indoor pickleball facility, outdoor covered pickleball courts, resort style/lap pool, new pool house with saunas, upgraded tennis courts, outdoor seating areas, and a real grass outdoor putting green. Additionally, the Club will introduce a Sports Hub with the latest state-of-the-art golf simulators and a game room. These enhancements are part of an ongoing commitment to providing members with world-class facilities and a welcoming environment.

"We are thrilled to create this vibrant and exclusive and very unique club where members can relax, connect, and enjoy the best of what life has to offer," said Managing Partner, Mike Harms.

Membership Opportunities

The Club at Midtown will be offering limited membership opportunities to ensure the optimal member experience. Prospective members are encouraged to register on the website
